MQ-9 Reaper

2024 ACHIEVEMENTS

- **Combat Operations:** Conducted numerous successful combat missions around the world, demonstrating the wing's capability and readiness.
- **Training Excellence:** Provided top-notch training to thousands of personnel, resulting in significant cost savings and enhanced military readiness.
- **Intelligence Support:** Played a critical role in supporting national security efforts, providing vital intelligence to leaders and combatant commanders.
- **Community Service:** Demonstrated commitment to the local community through various outreach and support efforts, including disaster response and veteran support initiatives.

LOOKING FORWARD

- **Advance Mission Capabilities:** Pursue next-generation technologies to address emerging threats and maintain a competitive edge in national defense.
- **Lead in Training:** Establish the 132d Wing as the premier National Guard training hub, delivering innovative and effective distributed training solutions.
- **Strengthen Community Ties:** Build stronger partnerships with local communities, businesses, and organizations to promote collaboration and mutual support.
