MEMORANDUM FOR RECORD

FROM: 132 CES/EMO

SUBJECT: Environmental Management System (EMS) Environmental Commitment Statement

1. REFERENCE: Executive Order (EO) 13693, AFPD 90-8, and International Organization for Standardization (ISO) 14001
2. The mission of the 132D WG Iowa Air National Guard is to train, deploy, execute, and sustain operations in missions supporting our Nation and Community.
3. The 132D WG will conduct its activities in an environmentally sound manner efficiently and effectively complying with the letter, spirit, and intent of applicable environmental statutes, regulations, and standards. We believe in protecting and enhancing the environment and the investment of time and resources required for sound environmental stewardship necessary and appropriate to our mission.
4. The 132D WG shall review and publish its environmental objectives and targets. The OPR for this review is the 132D Environmental Management Office (EMO). The EMO will receive input from the Environmental Safety and Occupational Health Working Group (ESOH-WG), develop a recommended list of goals for the fiscal year, and present them for approval to the Environmental Safety and Occupational Health Council (ESOHC).
5. The 132D WG commits to reduce the environmental impacts and consumption of natural resources from our operations and comply with all legal and applicable requirements. We further commit to continually improve on our success in environmental stewardship. The Environmental Management System of the Des Moines Air Base integrates our efforts to achieve the following Objectives and Targets as tracked in the Objectives and Targets tool on the Air National Guard Virtual Environmental Management Office (VEMO) portal.
 - Integrated Solid Waste Target: 50% of non-hazardous solid waste diverted from the waste stream by end of FY 2016, and annually thereafter.
6. This base environmental commitment statement supersedes all letters pertaining to the same subject forthwith and the EMO Office is the point of contact at DSN: 261-8760, Commercial: 515-261-8760 or email rolf.g.osteraas.civ@mail.mil.
